

Congress of the United States
House of Representatives
Washington, DC 20515-4006

April 28, 2022

Dear Chair DeLauro and Ranking Member Granger:

I am requesting funding for the Haven at Palmer Pointe (Housing Authority of the City of Columbia) in fiscal year 2023 from the Subcommittee on Transportation, Housing and Urban Development and Related Agencies under the Department of Housing and Urban Development - Economic Development Initiative (EDI) account.

The entity to receive funding for this project is the Housing Authority of the City of Columbia, SC, located at:

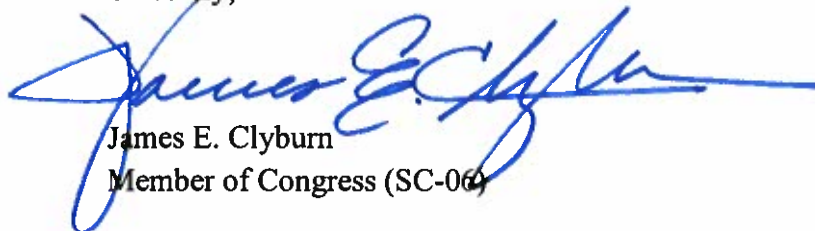

Haven at Palmer Point Affordable Housing New Construction
1917 Harden St.
Columbia, SC 29204
SC-06 Congressional District

The funding would be used to fill the funding gap on an affordable housing development project in Columbia, SC.

This project is an appropriate use of taxpayer dollars and would help replace the Marion Street Public Housing High Rise that was vacated and taken out of service in 2021 due to failing building systems. I certify that neither I nor my immediate family has any financial interest in this project.

With kindest regards, I am

Sincerely,

James E. Clyburn
Member of Congress (SC-06)
