IN THE HOUSE OF REPRESENTATIVES

Mr. JOYCE of Ohio introduced the following bill; which was referred to the Committee on _____

A BILL

To establish a Commission on the Federal Regulation of Cannabis to study a prompt and plausible pathway to the Federal regulation of cannabis, and for other purposes.

1 *Be it enacted by the Senate and House of Representa-*
2 *tives of the United States of America in Congress assembled,*

3 **SECTION 1. SHORT TITLE.**

4 This Act may be cited as the “Preparing Regulators
5 Effectively for a Post-prohibition Adult-use Regulated En-
6 vironment Act of 2023” or the “PREPARE Act of 2023”.

1 **SEC. 2. FINDINGS.**

2 Congress finds the following:

3 (1) Cannabis was federally legal in the United
4 States until 1937.

5 (2) Cannabis was federally prohibited to codify
6 discriminatory practices against minority commu-
7 nities.

8 (3) Medical cannabis prohibition was estab-
9 lished despite objection from the American Medical
10 Association.

11 (4) 38 States and the District of Columbia have
12 legalized cannabis for medical purposes.

13 (5) 21 States and the District of Columbia have
14 legalized cannabis for adult use.

15 (6) Despite the Federal Government collecting
16 revenue from the sale of cannabis, individuals are
17 still criminally persecuted for its use.

18 (7) Cannabis research, including research on
19 medical uses, product safety, and impairment stand-
20 ards, is severely hindered and made nearly impos-
21 sible by its schedule 1 classification.

22 (8) Cannabis should remain an adult product
23 aside from the physician prescribed treatment of mi-
24 nors.

25 (9) Cannabis has proven medically beneficial for
26 patients suffering from pain, cancer, post-traumatic

1 stress disorder, seizure disorders, and multiple scler-
2 rosis, among other diseases.

3 (10) Since 2003, the United States Government
4 by way of the Department of Health and Human
5 Services has held a patent for medical cannabis as
6 an antioxidant and neuroprotectant.

7 (11) While the United States remains trapped
8 in antiquated cannabis regulations, other nations
9 and scientific competitors, including the United
10 Kingdom, Canada, South Korea, Germany, and
11 Israel have modified their laws to allow for varying
12 degrees of cannabis legality and medical research.

13 **SEC. 3. PURPOSE.**

14 The President and Congress shall prepare the Fed-
15 eral Government for an inevitable and prompt end to Fed-
16 eral marihuana prohibition by establishing a commission
17 to advise on the development of a regulatory framework
18 with respect to marihuana regulation, including account-
