

Congress of the United States
House of Representatives
Washington, DC 20515-4006

April 28, 2022

Dear Chair DeLauro and Ranking Member Granger:

I am requesting funding for Lakes Marion and Moultrie, SC in fiscal year 2023 from the Subcommittee on Energy and Water under the Army Corps of Engineers – Construction account, for the following project:

Lakes Marion and Moultrie, SC, Sec 219(f)(25) WRDA 1992 (P.L. 102-580), as amended by Sec 502 WRDA 1999 (P.L. 106-53), Appendix D, Division B, Sec 108(c)(4) Consolidated Appropriations Act 2001 (P.L. 106-554), Sec 126 EWDA 2004 (P.L. 108-137), and Sec 5128 WRDA 2007 (P.L. 110-114) and Sec 352 WRDA 2020 (P.L. 116-260)

The entity to receive funding for this project is the Army Corps of Engineers, located at:

Army Corps of Engineers
Charleston District
69A Hagood Ave.
Charleston, SC 29403

The funding would be used to construct the Calhoun Reach segment of this project which will provide high quality drinking water to communities in Calhoun County and is an integral part of the Lake Marion Regional Water Agency (LMRWA), a large, regional infrastructure improvement effort.

This project is an appropriate use of taxpayer dollars and would improve access to clean drinking water for Calhoun County communities. I certify that neither I nor my immediate family has any financial interest in this project.

With kindest regards, I am

Sincerely,

James E. Clyburn
Member of Congress (SC-06)
